Catwalk Update

Building 2

10/9/18

The contractor is going to work on the catwalks in both buildings simultaneously.

Removal of the carpeting on the 5th floor is scheduled for October 11th. Repairs will be made as needed. It is unknown how long it will take to make repairs before the final coating is applied.

You will be notified as soon as we know when you will need to be out of your unit.

Thank you.
