The Rules and Regulations are as follows:

Alterations and/or Structural Modifications:

No alterations, additions, improvements, changes or modification to the common elements, limited common elements, the exterior of the buildings, or the exterior of a unit, is allowed without completing an Architectural Modification Request Form and prior written consent of the Board. This includes **Air Conditioner Maintenance and Replacement**.

Roof - No person shall be permitted upon the roof of any building or shall cause anything to be placed on the roof of any building, or any reason, without prior written consent of the Board. Any unauthorized work that causes damage to the roof will be the responsibility of the homeowner.

Association Employees and Contractors:

No unit owner or member of his family or guest shall give orders or instructions to association employees or contractors.
